NOW, THEREFORE, BE IT ORDAINED:

Section 1. The County Council bases its findings of fact and conclusions on the entire record of the planning commission and the county council, including all testimony and exhibits.

Section 2. The County Council adopts and incorporates the foregoing recitals as findings and conclusions as if set forth fully herein.

Section 3. The County Council makes the following additional findings and conclusions regarding proposals to amend the comprehensive plan to ensure that the GMACP and implementing development regulations are internally consistent and that they comply with the GMA:

- A. The proposed amendments to Policies LU 7.B.5 and LU 7.B.6 are necessary in order to reflect the current role of the Agricultural Advisory Board.
- B. The proposed amendments maintain consistency with other elements of the GMA comprehensive plan.
- C. All applicable elements of the GMA comprehensive plan support the proposed amendments.
- D. The proposed amendments more closely meet the goals, objectives and policies of the GMA comprehensive plan as discussed in the specific findings.
- E. The proposed amendments are consistent with the countywide planning policies (CPPs).
- F. Review of this ordinance under the State Environmental Policy Act (SEPA), Chapter 43.21C RCW, has been performed. Addendum No. 40 to the Final Environmental Impact Statement (EIS) for the GMACP was issued on August 11, 2004. This addendum describes the amendments adopted by this ordinance and adds information and analysis of the significant impacts identified for the alternatives analyzed in the Draft EIS dated April 11, 1994 and Final EIS issued on June 21, 1995. The information and analysis in Addendum No. 40 expanded on previously identified alternatives but did not substantially change the analysis of significant impacts and alternatives analyzed in the county's adopted environmental documents. No additional significant impacts beyond those identified in the EIS are expected to occur.
- G. The amendments adopted by this ordinance are within the scope of analysis contained in the FEIS for the GMACP, June 21, 1995, and related environmental documents adopted by the County. Addendum No. 40, which was issued on August 11, 2004, performs the function of keeping the public apprised of the refinements adopted by this ordinance by adding new information, but it does not substantially change the analysis of significant impacts and alternatives analyzed in the existing adopted environmental documents.

- H. The State Environmental Policy Act requirements with respect to this proposed action have been satisfied by this addendum.
- I. There has been early and continuous public participation in the review of the proposed amendments as required by chapter 30.73 SCC and 30.74 SCC.
- J. The county council held public hearings on November 17, 2004 to consider the planning commission's recommendation.
- K. The public was notified of the public hearings held by the planning commission and the county council by means of published legal notices in The Everett Herald and local newspapers.
- L. The proposed ordinance has been broadly disseminated and opportunities have been provided for written comments and public hearing after effective notice.

Section 4. The County Council bases its findings of fact and conclusions on the entire record of the planning commission and the county council, including all testimony and exhibits.

Section 5. Based on the foregoing findings and conclusions, the Snohomish County GMA Comprehensive Plan – General Policy Plan adopted as Exhibit A in Section 4 of Amended Ordinance 94-125 on June 28, 1995 and last amended by Ordinance No 04-057 on May 24, 2004 is amended as indicated in General Policy Plan Amendments to Land Use Policies, which is attached hereto as Exhibit A and incorporated by reference into this ordinance as if set forth in full.

Section 6. Severability. If any provision of this ordinance is held invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity or constitutionality of the remainder of this ordinance.
