SNOHOMISH COUNTY COUNCIL
Snohomish County, Washington

AMENDED ORDINANCE NO. 04-132
RELATING TO COUNTY FUNDS, ESTABLISHING A FACILITY
SERVICES FUND, AND ADDING A NEW CHAPTER 4.35 SCC

WHEREAS, the Department of Facilities Management provides certain services that support operation of county facilities through contracts with non-county service providers; and

WHEREAS, the County Council desires to create a fund for such county facility services to provide for the tracking of revenues, expenditures, and related activities separately from the County's General Fund; and

WHEREAS, creation of the fund as an internal services fund will facilitate monitoring of parking rates and fund balance, and will provide a mechanism for adjusting external and internal rates for contracted services as may be appropriate in light of the cost of facility services;

NOW, THEREFORE, BE IT ORDAINED:

Section 1. A new chapter is added to Title 4 of the Snohomish County Code to read:

Chapter 4.35

Facility Services Fund

Sections:

- 4.35.010 Creation and purpose.
- 4.35.020 Administration of fund.
- 4.35.030 Source of resources.
- 4.35.040 Use of fund.

4.35.010 Creation and purpose.

There is hereby created an internal facility services fund (411) to account for services that support operation of county facilities and are provided through contracts with service providers that are administered by the department of facilities management. Such support services shall be limited to the services described in SCC 4.35.020(2).

4.35.020 Administration of fund.

(1) The director of the department of facilities management shall administer the facility services fund within the financial management system provided for in chapter 2.100 SCC, and shall serve as fund

manager. The fund manager shall have the duties set out in SCC 4.05.060.

(2) The facility services fund shall be used to account for management of county parking facilities, campus security services, and other services identified in the annual budget ordinance for any year, insofar as such services are provided through contracts with service providers that are administered by the department of facilities management.

4.35.030 Source of resources.

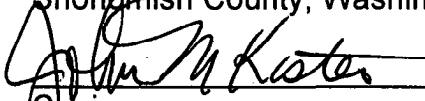

The facility services fund shall contain proceeds from parking fees, revenues under interlocal and other agreements providing for the use of county parking facilities, revenues identified in the annual budget ordinance, and such other revenues as the council may from time to time direct.

4.35.040 Use of fund.

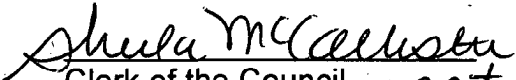

The facility services fund shall be used for the operation of the county parking garage and campus security program, and for such other services that support operation of county facilities as are identified in the county's annual budget ordinance, insofar as such services are provided through contracts with service providers that are administered by the department of facilities management, and for payment of related county administrative expenses.

PASSED this 22nd day of November, 2004.
