SNOHOMISH COUNTY COUNCIL
Snohomish County, Washington

ORDINANCE NO. 05 - 009

RELATING TO OPERATING RULES FOR COUNTY SOLID
WASTE FACILITIES, REVISING THE TYPES OF WASTE THAT
ARE ACCEPTABLE, AND AMENDING SCC 7.41.050

WHEREAS, in 1990 Snohomish County imposed limitations on materials that could be accepted at County solid waste facilities; and

WHEREAS, at that time the County was beginning to face capacity related problems at its solid waste facilities, and those facilities were also physically limited with respect to the types of wastes that could be handled; and

WHEREAS, Chapter 7.41 SCC was accordingly adopted to accommodate these capacity and facility limitations; and

WHEREAS, some of these limitations are no longer relevant with the opening of the Airport Road and redeveloped Southwest Recycling and Transfer Stations.

NOW, THEREFORE, BE IT ORDAINED:

Section 1. SCC 7.41.050, last amended by Ordinance No. 90-022 on May 14, 1990, is amended to read:

7.41.050 Types of wastes that are ~~((acceptable and))~~ unacceptable.

(1) ~~((Demolition debris shall not be accepted at any of Snohomish county's landfill sites delivered in vehicles licensed over 8,000 lbs. gross vehicle weight (GVW). Dirt, rocks, or other dense materials shall not be accepted at any transfer station.~~

~~(2) Whole and))~~ No more than five whole or split tires ~~((in loads of five or more))~~ shall be accepted per load ~~((only at the landfill and the transfer stations)).~~

~~(((3) — Stumpage and land clearing debris shall not be accepted at any disposal site delivered in vehicles licensed over 8,000 lbs. GVW.~~

~~(4))~~ (2) Any load of waste deemed to be dangerous or potentially dangerous by the director or the health officer shall not be ~~((disposed of))~~ accepted at any disposal site without prior approval of the health officer and the director.

~~(((5)))~~ (3) Septic tank pumpings, sludges and liquid waste shall not be accepted at any disposal site except in emergency circumstances and with the approval of the health ~~((jurisdiction))~~ officer and the director.

~~(((6) — Wood waste shall not be accepted at any disposal site except in emergency circumstances and with the approval of the health jurisdiction and the director.~~

~~(7) Commercial, contract haulers and/or compacted waste loads greater than five tons or five cubic yards shall not be accepted at drop box facilities without the prior approval of the director.~~

~~(8) Hazardous wastes shall not be disposed of in Snohomish county without prior approval of the health officer, the department of ecology, and the Snohomish county council.)~~

(4) Loads greater than five cubic yards shall not be accepted at drop box facilities without the prior approval of the director.

(5) Hazardous waste disposal at county solid waste facilities shall be limited to those wastes, facilities, or specific portions of facilities so designated by the director.

PASSED this 30th day of March, 2005.
