**SNOHOMISH COUNTY COUNCIL
SNOHOMISH COUNTY, WASHINGTON**

AMENDED ORDINANCE NO. 09-090

**REENACTING AND AMENDING CHAPTER 2.800 SCC PERTAINING TO THE
MARINE RESOURCES ADVISORY COMMITTEE**

WHEREAS, the Snohomish County Council recognizes that the marine waters of Snohomish County represent an unparalleled resource of enormous environmental and economic value to the people of the region for present and future generations; and

WHEREAS, the Northwest Straits Commission was established by Congress on October 1, 1998, to provide an ecosystem focus on the marine resources of the Northwest Straits, including the marine waters of Snohomish County, to help mobilize science to focus on key priorities, and to guide and provide resources to county marine resources advisory committees; and

WHEREAS, the Northwest Straits Commission determined that county-based marine resources advisory committees provide an effective foundation for scientifically sound, locally supported marine conservation measures, and established the Northwest Straits Marine Conservation Initiative, an initiative throughout the seven northern counties bordering Puget Sound and the Straits of Juan de Fuca; and

WHEREAS, the Snohomish County Council established the Marine Resources Advisory Committee by Amended Ordinance No. 99-080 on September 24, 1999, to further its efforts to protect the local marine environment and contribute to the protection of the marine environment of the Northwest Straits; and

WHEREAS, the Marine Resources Advisory Committee is a broadly representative body that includes individuals with relevant experience or scientific expertise and has made substantial progress in identifying and addressing local marine resource issues; and

WHEREAS, the Marine Resources Advisory Committee has effectively represented Snohomish County as a member of the Northwest Straits Commission, which is composed of five members appointed by the Washington State Governor, one tribal member appointed by the United States Secretary of the Interior, and one member from each of the seven participating counties, including Snohomish, Skagit, Whatcom, San Juan, Island, Jefferson, and Clallam; and

WHEREAS, in 2004 a nationally recognized independent panel of experts evaluated the performance of the Northwest Straits Marine Conservation Initiative and concluded that it is a successful approach in community-based marine conservation that should be reauthorized by Congress, funded at higher levels, and replicated in other regions of the United States; and

Ordinance No. 09-090
Reenacting and Amending Chapter 2.800 SCC
Pertaining to the Marine Resources Advisory Committee - 1

WHEREAS, The Northwest Straits Commission has received an increase in federal funding to support the Northwest Straits Marine Conservation Initiative since 2004 and received the prestigious Warren G. Magnuson Puget Sound Legacy Award in 2009 for the Initiative's exemplary efforts to address conservation issues in Puget Sound and the Northwest Straits; and

WHEREAS, Ordinance No. 04-091 will be repealed on September 22, 2009, and the council wishes to reauthorize and continue the Snohomish County Marine Resources Advisory Committee;

NOW, THEREFORE, BE IT ORDAINED:

Section 1. Chapter 2.800 Snohomish County Code, adopted by Ordinance No. 04-091 on September 22, 2004, is reenacted and amended to read:

Chapter 2.800

MARINE RESOURCES ADVISORY COMMITTEE

Sections:

2.800.010	Advisory committee established.
2.800.020	Purpose.
2.800.030	Duties and responsibilities.
2.800.040	Membership.
2.800.050	Terms.
2.800.060	Vacancies.
<u>2.800.900</u>	<u>Sunset.</u>

2.800.010 Advisory committee established.

The Snohomish county marine resources advisory committee is hereby established as an advisory body to the county council and executive.

2.800.020 Purpose.

The purpose of the marine resources advisory committee is to address local marine issues and recommend remedial actions to the council, executive and, where requested by the council or executive, to other local governmental entities and tribes, guided by sound science and the needs of the marine ecosystem.

2.800.030 Duties and responsibilities.

(1) The marine resources advisory committee shall serve in an advisory role to the county council and executive on one or more of the following matters, as requested:

- (a) Achieving a net gain in highly ecologically productive nearshore, inter-tidal and estuarine habitat within the county, as well as preventing significant loss of existing, high-value habitat;
- (b) Achieving a net reduction in the number of shellfish harvest areas within the county closed due to contamination;
- (c) Contributing to measurable increases in factors supporting bottom fish recovery (such as rockfish), including numbers of fish of broodstock size and age, average fish size, and abundance of prey species, as well as sufficient amounts and quality of protected habitat;
- (d) Contributing to increases in other key marine indicator species;
- (e) Identifying the local implications, needs and possible strategies associated with the recovery of Puget Sound salmonids listed under the Endangered Species Act in concert with federal, state and local governmental entities and tribes;
- (f) Identifying and recommending local candidate sites for designation as marine protection areas (MPAs), consistent with a scientifically-based regional system of MPAs;
- (g) Building public awareness on such issues as the link between healthy marine habitat and healthy resources and how MPAs can play an important role in habitat and resource protection;
- (h) Working with the federal, state and local governmental entities and tribes to help map, assess, and protect nearshore habitat and prevent harm from upland and shoreline activities through local and state regulations and planning efforts;
- (i) Creating and maintaining a scientific database on marine resources, including a scientific baseline, common protocols, a unified geographic information system (GIS) and shared ecosystem assessments and research;
- (j) Providing assistance to federal, state and local governmental entities and tribes in assessing the status of marine resources and factors of their decline;
- (k) Identifying, prioritizing and recommending current and future remedial measures;
- (l) Working with local government leaders to implement local marine conservation and restoration initiatives; and
- (m) Coordinating with the Northwest Straits Commission on marine ecosystem objectives.

(2) The marine resources advisory committee may collaborate with and assist county agencies in preparing, reviewing, prioritizing and recommending grant applications to the Northwest Straits Commission prior to submittal. The marine resources advisory committee may also collaborate with county agencies to develop grant applications to federal, state and local entities and tribes to address local marine issues.

((2)) (3) The marine resources advisory committee shall report annually to the county council and executive on its activities and progress in achieving its goals.

2.800.040 Membership.

(1) Chapter 2.03 SCC shall govern membership on the marine resources advisory committee, provided that candidates for appointment may be recommended by the executive or individual ~~((councilmembers))~~ council members, subject to appointment by the county council. The marine resources advisory committee shall annually elect a chairperson by simple majority vote. The marine resources advisory committee shall establish bylaws and a regular meeting schedule. The county executive may provide staff support to the committee to the extent that the executive deems appropriate.

(2) The marine resources advisory committee shall be composed of no more than ~~((eleven))~~ thirteen members with balanced representation from individuals with relevant experience or scientific expertise representing:

- (a) local governments;
- (b) affected economic interests;
- (c) recreational, conservation or environmental interests; [and]
- (d) local tribal governments~~((-))~~; and
- (e) no more than two citizens at large.

2.800.050 Terms.

~~((Members from even-numbered positions shall have an initial term of two years and terms of three years thereafter. All other positions shall have an initial term of three years and terms of three years thereafter.))~~ All positions shall serve three-year terms, except for the initial terms which shall be established by ordinance. A member shall not serve more than three consecutive terms on the committee.

2.800.060 Vacancies.

A vacancy occurring as a result of an expired term shall be filled as provided by Chapter 2.03 SCC. Vacancies occurring for any reason other than the expiration of a term of office shall be filled by appointment of the county council for the duration of the unexpired term of the office being filled.

Section 2. A new section is added to Chapter 2.800 of the Snohomish County Code to read:

2.800.900 Sunset.

This chapter is repealed effective on the date five years following reenactment (September 2, 2014) unless reenacted prior to that date, as provided in Snohomish County Charter Section 2.115.

Section 3. Transition and new positions. Notwithstanding the provisions of SCC 2.800.040 and 2.800.050, the members of the marine resources advisory committee established pursuant to Ordinance No. 04-091 shall be those persons who are serving on the date of enactment of this ordinance. Such members shall continue to serve the remainder of their appointed terms, except as modified in this section. These terms shall be considered initial terms under SCC 2.800.050.

Terms for position nos. 2, 4, 8 and 9 shall expire on December 31, 2010. Terms for position nos. 1, 3, 5, 7 and 11 shall expire on December 31, 2011. Terms for position nos. 6 and 10, and the two new positions (12 and 13) established under this ordinance shall expire on December 31, 2012. The length of terms for all positions shall be three years thereafter. Members shall not serve more than three consecutive terms, including terms served as members of the marine resources advisory committee established pursuant to Ordinance No. 04-091.

PASSED this 2nd day of September, 2009.
