SNOHOMISH COUNTY COUNCIL
SNOHOMISH COUNTY, WASHINGTON

ORDINANCE NO. 15-089

MAKING AN EMERGENCY APPROPRIATION IN THE SOLID
WASTE FUND 402 TO PROVIDE EXPENDITURE AUTHORITY
RELATED TO THE WASTE EXPORT PROGRAM

BE IT ORDAINED:

Section 1. The County Council makes the following findings of fact: An emergency appropriation is necessary in the Solid Waste Fund 402 to aid the Solid Waste Division's Waste Export program. There has been an unanticipated increase in the tonnage of waste received in 2015. The increase was not anticipated in the original 2015 budget.

Section 2. The appropriation unit and allocation detail are as follows:

402 Solid Waste Fund

EXPENDITURE:

5067064722 Waste Export Disposal \$ 1,500,000

REVENUE:

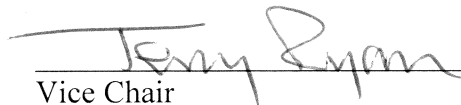

3064014372 Franchise Collections \$ 1,500,000

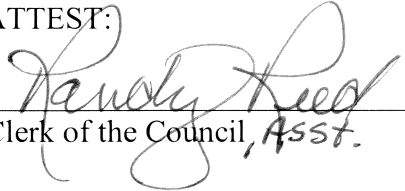

Total Emergency Appropriation Fund \$ 1,500,000

Section 3. The County Council finds that there is a need for such emergency appropriation because the increase in waste tonnage received in 2015, could not have been determined prior to adoption of the 2015 budget. The County Council finds that the need for the appropriation constitutes a public emergency that could not reasonably have been foreseen at the time of budget approval and appropriation for the year 2015, and hereby authorizes the appropriation.

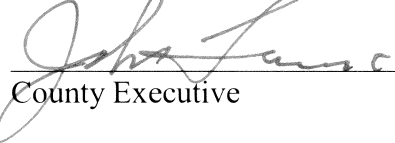

PASSED this 16th day of December, 2015.
