15 VACATED PORTION OF 99th AVENUE NW, A SNOHOMISH COUNTY ROAD
16 RIGHT-OF-WAY
17

18 WHEREAS, Petitioners Gary and Gayeann Buse, Thomas Stephenson,
19 and Greg Brown jointly petitioned Snohomish County to vacate a portion of an
20 unopened Snohomish County right-of-way for 99th Avenue NW which abuts each
21 of the petitioners' properties in the Warm Beach area of unincorporated
22 Snohomish County; and
23

24 WHEREAS, on August 18, 2021, as a result of that petition, the
25 Snohomish County Council ("County Council") adopted Ordinance No. 21-036
26 vacating a portion of 99th Avenue NW, a Snohomish County road right-of-way;
27 and
28

29 WHEREAS, in preparing Ordinance No. 21-036, the Snohomish County
30 Department of Public Works ("Public Works") asked local utilities to determine if
31 any utilities were located in or planned for the right-of-way proposed to be
32 vacated; and
33

34 WHEREAS, as noted in the Snohomish County Engineer's ("Engineer")
35 Report supporting Ordinance No. 21-036, Ziply Fiber responded that it had
36 utilities in the right-of-way; and
37

38 WHEREAS, due to Ziply Fiber's response, the Engineer recommended
39 the vacation be conditioned on the petitioners granting an easement to
40 Snohomish County over the vacated right-of-way for the construction, repair and
41 maintenance of public utilities and services within the vacated right-of-way; and
42

43 WHEREAS, the Engineer also recommended Petitioners Buse grant an
44 access easement over that portion of the right-of-way abutting the Buses'
45 property benefitting Petitioner Stephenson who owns Lots 50-53, Block 12, C.D.
46 Hillman's Birmingham Waterfront Addition to the City of Everett and to Petitioner

1 Brown who owns Lots 3-5 Block 11 and Lots 46-49 Block 12 of C. D. Hillmans
2 Birmingham Waterfront Addition to the City of Everett to prevent those properties
3 from becoming landlocked due to the vacation; and
4

5 WHEREAS, Ordinance No. 21-036 was conditioned on the access
6 easement and utility easement recommended by the Engineer; and
7

8 WHEREAS, since the adoption of Ordinance No. 21-036, Ziply Fiber has
9 determined that its response to Public Works inquiry was in error and that it in
10 fact does not have any utilities in or planned for the vacated right-of-way as
11 confirmed in its letter to Public Works dated April 18, 2022; and
12

13 WHEREAS, because there are no utilities located in or planned for the
14 vacated right-of-way, there is no need for Snohomish County to retain a utility
15 easement as required by Ordinance No. 21-036; and
16

17 WHEREAS, Petitioner Brown informed Public Works that he no longer
18 needs an access easement from Petitioners Buse and instead will execute and
19 record a covenant and agreement related to the vacation of the right-of-way; and
20

21 WHEREAS, the covenant and agreement required under this ordinance
22 will run with the land and will ensure that vehicular access will be maintained to
23 all of Brown's property should that property be partitioned and sold independently
24 in the future; and
25

26 WHEREAS, on this _____ day of _____, 2023, pursuant to
27 RCW 36.87.060 and SCC 13.100.060, the County Council held a public hearing
