

CO00029478

COUNTY COUNCIL
Snohomish County, Washington

ORDINANCE NO. 80-28
RELATING TO THE REVISED DESIGN STANDARDS
AND SPECIFICATIONS OF THE DEPARTMENT OF
PUBLIC WORKS

BE IT ORDAINED,

Section 1. That new sections of the Snohomish County Code are adopted as follows:

13.04.020 Revised Design Standards and Specifications.

The "Revised Design Standards and Specifications" as published by the Department of Public Works, copy of which is filed herewith and copies of which are available from the Department of Public Works, is hereby adopted by reference. Where construction in compliance with the Design Standards and Specifications or the Revised Design Standards and Specifications is required by the terms of the latter or any section of the Snohomish County Code, the applicable sections of the Revised Design Standards and Specifications shall be complied with.

13.04.030 - Amendment.

If the county executive shall conclude that public welfare and safety, the public interest, and acceptable construction methods and materials require the amendment of the Revised Design Standards and Specifications, he may make such amendment. A copy of any such amendment shall be filed with the clerk of the council and incorporated into copies of the Revised Design Standards and Specifications kept at and distributed by the Department of Public Works.

Section 2. The title to chapter 13.04, Snohomish County Code, which now reads "Standard Specifications for Road and Bridge Construction" is amended to read "Construction Specifications."

PASSED this 2nd day of July, 1980.
