S.R. _____ D.J. _____

BE IT RESOLVED:

Section 1. Snohomish County Code Section 15.08.610 as enacted on June 24, 1974, which now reads:

15.08.610 Aircraft storage. The following charges will be made for storage of aircraft on county property: (Note: Gross weight shall be based on the gross weight of the aircraft as described in leading aviation journals.)

Under 12,500 Pounds	Daily Rate	Monthly Rate
Single engine	\$1.50	\$12.50
Multi-engine	2.00	17.50

Monthly rates will apply when accumulated daily rates become the greater of the two. Rates for larger aircraft are available at the airport office.

is amended to read:

15.08.610 Aircraft storage. The fees which shall be charged for aircraft storage, including tie down fees and hangar rental fees shall be fixed from time to time by the Airport Commission in such amounts as to provide reasonable returns for the facility leased, which fees shall be approved by resolution of the county council. Schedule of current fees shall be made available by the airport manager, upon request. Agreements for such services shall be approved and executed by the county executive, or he may delegate authority for such approval and execution to the Airport Commission.

Section 2. The effective date of this ordinance is June 1, 1981.
