ORDINANCE NO. 90-004

AMENDING CHAPTER 7.42 SCC RELATING
TO SOLID WASTE RECYCLING

BE IT ORDAINED:

Section 1. Snohomish County Code Section 7.42.030, adopted by Amended Ordinance No. 89-114 on September 27, 1989, is amended to read:

7.42.030 Services to be provided. Each waste collector that services unincorporated areas of Snohomish County shall be responsible for providing the following recycling services for their operations areas within designated Urban/Suburban Service Zones as defined in the Recycling Element of the Draft Snohomish County Comprehensive Solid Waste Management Plan :

- (1) Collection of the following materials from the curb when properly set out as specified by the hauler on the designated collection day for collection by the designated waste collector:

- (a) Old newspaper;
- (b) Mixed waste paper;
- (c) Aluminum food and beverage cans;
- (d) Tin-plated steel food and beverage cans;
- (e) Glass food and beverage containers;

Other recyclable materials, such as plastics or waste oil, may be collected on a continuing basis, at the option of the hauler(s) servicing unincorporated areas of the county when reasonable costs for including specified additional materials are allocated to residents receiving the added service.

- (2) Collection service for these materials shall be provided within 9 months of the date of adoption of this ordinance.
- (3) Collection shall be weekly from each residence, preferably on the same day as trash collection, unless the collector can demonstrate to the county that an alternative collection schedule can result in the same or higher levels of participation and recovery.
- (4) Processing and marketing of all materials collected shall be provided, such that no more than 10 percent by weight of the collected material may be landfilled.

- (5) A recycling container to hold the materials designated for collection shall be provided to each residential dwelling. A container is not required for yard debris disposal but may be provided at the option of the hauler.
- (6) Collection of yard waste from single family and multi-family dwellings shall be provided within ~~((±8))~~ 17 months of the date of adoption of this ordinance. The collection service shall be provided at least twice monthly from the months of March through November.
- (7) Promotional strategies shall be employed to reasonably and regularly inform and notify each eligible residence of the availability of the recyclables collection service and of appropriate actions and schedules for preparing material for set out.

Section 2. Snohomish County Code Section 7.42.060, adopted by Ordinance 89-114 on September 27, 1989, is amended as follows:

7.42.060 Report to Council on ((Affectiveness--)) Effectiveness of Program. Within 18 months after the ~~((affective))~~ effective date of this ordinance the Executive will prepare a report for Council review on the ~~((affectiveness))~~ effectiveness of the curbside recycling programs and, if necessary, make recommendations for mandatory participation including recommendations for participation by cities and towns served by class "G" haulers as provided for in ESHB 1671.

Section 3. Snohomish County Code Section 7.42.080, adopted by Amended Ordinance 89-114 on September 27, 1989, is amended to read:

7.42.080 Effective date. The major new services required in this ordinance are to be effective by and after:

- (a) Curbside Collection of Recyclables (7.42.030) - ~~((March-1,-1990))~~ July 1, 1990.
- (b) Collection of Yard Waste (7.42.060) - ~~((January-1,-1991))~~ March 1, 1991.

PASSED this 14th day of February 1990.
