(2) Permit fee. This fee shall be charged to compensate the department for the field investigation, plan review and inspection for conformance to the conditions of the permit. Permit fees shall be collected at the time of permit application.

(3) Overweight/oversize load fee. Where application is for a building or other overweight or oversized move pursuant to SCC 13.40.040, the department may charge the applicant an additional fee to compensate for costs incidental to the move involved, including road maintenance crews, signal crews, and sheriff's personnel.

(4) Franchise fee/cable TV. (5) Repair and replacement charge. If the department incurs any costs of repairing and replacing any right-of-way or county facility thereon, which has not been paid for under any other fee, the permittee shall be charged and shall pay the actual costs of repair and/or replacement incurred by the department, regardless of whether work is performed by the department or by a contractor hired by it.

(6) Utility Franchise Fee. Except for cable television franchisees subject to subsection (4) above, a fee shall be due and payable in full at the time of consideration of the franchise by the County Council. The utility franchise fee shall be in such amount as to fully compensate the county and all its agencies and departments for all direct and indirect costs and expenses related to the processing, review, and procedural requirements concerning the individual franchise. All costs and expenses which are to be included in the franchise fee will be itemized by the Department of Public Works and presented as a part of the formal record together with the associated ordinance for County Council approval.
